

## 10.1 Peer relationships with the broader education and training community

---

Education and training lead to recognised qualifications. Awards made on the National Framework of Qualifications are intended to promote mutual recognition and confidence in the learning outcomes attained by learners. Other awards, accreditations, collaboration, arrangements and partnerships, both in Ireland and abroad, offered through or by the provider are organised with reputable bodies and are subject to appropriate internal and external quality assurance procedures. The nature of all such arrangements in place with the broader national and international education and training community are published on the provider's website.
